ACCORDION SHUTTERS

ACCORDION SHUTTERS

- Best Value
- Lockable
- Hurricane Rated
- Deploy in minutes
- Retract for maximum visibility
- Great for large or small openings
- Protects openings from wind driven rain

Our Accordion Shutters are the best value for storm protection and security.

They are all custom made to fit your openings and fabricated from heavy duty extruded aluminum.

They easily withstand the force of hurricane winds and can be opened or closed within minutes. They eliminate the lengthy and laborious process of cutting and securing plywood or installing pre-cut storm panels.

In the open position the shutters need approximately 1" of storage space per foot of the opening so they don't detract from the aesthetics of your home.

Accordion Shutters are the right solution for your home or business. They offer durable life-long protection and are proven to increase the market value of your largest most valuable investment.

Whether your needs are residential or commercial, our custom designed shutter systems will keep you protected for years to come.

Accordion Shutters are not only perfect for windows and doors, but also for securing patios balconies, terraces and storefronts which have large openings.

Our Accordion Shutters come in four attractive colors, white, ivory, beige and bronze.
