BAHAMAMA SHUTTERS

BAHAMA SHUTTERS

- Popular Architectural Style
- Hurricane Rated
- Provides shade for energy savings
- Adjustable blades for maximum visibility
- Deploy in minutes
- Available in any color
- Protects openings from wind driven rain

Bahama Shutters, inspired by the architecture of the islands, not only adds beauty and charm, but increases the value of your property. They protect your largest, most valuable investment in the event of heavy rain or damaging winds.

These shutters stop the harsh infiltration of sunlight, saving you energy costs by blocking out the infrared heat rays as well as saving your furnishings by blocking the ultraviolet, or damaging sun rays, all without blocking your view.
